

# CHILDREN'S DAY IN SCHOOL

Students reached school with fervor and zeal on the morning of 14<sup>th</sup> November. The morning common assembly reverberated with cheerful students waiting to watch their beloved teachers perform for them. Principal, Sister Lizy lighted the inaugural lamp and paid her homage to former Prime Minister of India Pandit Jawaharlal Nehru. Teachers hosted multiple programmes for their beloved students beginning with Prayer Song followed by Singing, Dancing and a very colourful fashion show representing National costumes from all states of India. Teachers danced to various songs for the entertainment of their beloved students. The programme ended and the children moved on to the field to enjoy a campus picnic. They gorged on the delicious food bought from home. Choco Pie's were distributed among all students. It was a day to remember for them. They felt blessed to be part of such a wonderful celebration. Sister Lizy expressed her appreciation to the teachers for working so hard for the children.

Children's Day is always celebrated in a big way every year in school but this year it was unique in several ways. Apart from the regular competitions like essay, debate, poetry and declamation the students were given the opportunity to participate in Floral arrangement and Rangoli competition during the school hours on 11<sup>th</sup> November 2022.

Interested students from Std 9<sup>th</sup> to 12<sup>th</sup> participated in both the competitions. They bought flowers and rangoli colours from home. Students formed groups and started doing rangoli on the floor of the school corridor on the top floor using multiple hues. It was a sight to watch, enthusiastic children using so many techniques to flood the floor with colourful patterns. The school corridor looked beautiful like never before and was decked up like a bride.

This was followed by a flower arrangement competition. Students formed groups and started preparing several theme-based flower arrangements. Never before had such creativity been explored. It was a visual treat for all. Teachers and the students later went around seeing and appreciating the wonderful works of art. Both the competitions gave a golden opportunity to the students to showcase their creativity.

Teachers in a colourful Extravaganza
