# SCHOOL BEGINS WITH FERVOUR

The first day of the new session (30<sup>th</sup> March 2022) was tinged with excitement, open assembly as the first morning ritual, breaking into a frenzy at the assembly ground and face-time among the teachers and students.

Assembly kicked off by a warm hearty welcome note from our Principal, Sister Lizy. The air reverberated with the School song, "We are the students of St. Joseph's School stand for our motto so true..."

This was followed by the morning prayer and a motivational speech by our Principal, Sister Lizy. Frenzy and zeal prevailed.
