

KIDS DAY

Tiny tots of our pre-school along with their parents participated in Kids day held on 24th February at the school auditorium. The event was a visual treat as the tiny ones danced their way into everyone's hearts. They also participated in a fashion show and fancy dress competition. They gave speeches on how they loved their school. Some of the proud mothers also performed on stage. Later the kids were taken to their classroom for the distribution of report cards as well as food and juice. Principal Sister Lizy congratulated their teachers for encouraging the tiny ones to perform so beautifully. She also thanked the parents for choosing the school for their children.

Kid's Day
